STAT

Dear [REDACTED],

I should just like to write you a short note to thank you for the splendid service we received from Kyrenia covering the recent Persian events. Not only did we receive a very rapid service but the news summaries were a model of what is required in such circumstances. As I have said in my message to you today, it was a magnificent piece of work which could not have been bettered.

Yours sincerely,

J.T. Campbell  
Head of Monitoring Service
